

# BE A PART OF THE TEAM

## Volunteer Opportunities

As we grow at Higher than Health Wellness Charity, we plan to give back to the community in many ways. We will provide healthy meal options for families, donate medical supplies, and create annual healthcare events. If you are interested in participating in future events, just fill out the volunteer form on the website and subscribe to our email list to stay current on upcoming events.

## Board and Staff Opportunities

Higher than Health Wellness Charity is a new and growing nonprofit organization. We would love to work alongside others with the same passion to educate and serve our underserved communities experiencing healthcare disparities. If you are interested in creating and managing programs as a vice president, assisting the mission as secretary or treasurer, or helping move the mission along as staff, fill out the form on our website.
